> and Silver Mining company, of Chicago, filed an application for permission to open books in the office of the Secretary of State on October 28 The object of the company for gold and silver in the state of Nevada 000,000, in 80,000 shares of \$20 each. The ings, D. W. C. Castle, and Jno. P. Willia.

"We were divasted of every stitch of our elothing, our rings and bracelets locked up. our back bair taken off, our own special pos-

session of seventy-five or a hundred hairs made into a little birante pill and impaled with a hair pin. That was the only token of civilization we boasted. The procession formed At the door. formed. At the door we were handed a miniture sheet and a little bit of sponge wet with cold water. Through a passage to a room, where we drepped our sheets and entered a vapor that clothed us decently. I

wonder the Illustrated Police Gazette or the Day's Doings hasn't hit on this basiness for illustration. Well, in this steam I thought I should saffocate. It poured up and in and down through holes till it was dreadful. Objections to a Dyke across
the Bay of Superior.

The use of the wet sponge, I here ascertained was to put on the top of your head to prevent 'coup de steam,' or some such dire complaint. They wouldn't let me out, and the temperature got worse and worse, and I began to think of my mother and an obituary notice in the Republican, when we were pronounced cooked enough and let out into a room in which was a mighty tank of cold water, through which you must wade or awim as you could. Caesar's ghost! I flew through it. My austomy and physiology were beated to boiling point. This water seemed like ice. It sent the blood rushing to my hollow head (I'm convinced I have no brains,) and my heart come ker-flop sp and went ker chunk down. I make up my mind in the this was the worst of it, and tried to be resigned. I had been soaped and scrubbed in

> feet from under me, and in I went for a second time. How very near an end was the bappy connection between M. H. B. and the St Louis Republican.
> "At the next stage of this truly awful experience we received the 'shower.' I had now become convinced that I should never see home or friends again. In calm des and imit pair I walked under a solid column of water. that nearly broke my back, and just here I got mad. That fat attendant hasn't yet reand when the thin woman went before Judge ATTORNEYS AT LAW Dowling, that gentlemin said it was a con-appraise; that no one woman of my size, unapiracy; that no one woman of my size, un-aided, could do such damage. He told the woman to go home and say nothing about it. for she'd evidently been dreadfully drunk

and undertaken to walk through a carpet-

Retail one dollar above these prices. from land's end to land's end, that all may read, and reading, believe, that for the countless millions who are on the road to an notimely grave with bilious complaints there is but one truly great and reliable remedy, and that is

The purest and sweetest Cod-Liver Oil in the world is Hazard & Co., New York. It is absolutely pure and sweet. Patients who have once taken it prefer it to ell others of the various State institutions present at the session of the Board of Public Chart.

CARBOLIC SALVE.

BY ORDER COMMITTEE.

The important discovery of the CABBOLIC ACID as a CLEANSING, PUBIFYING, and HEALING Agent is one of the most remarkable results of modern medical research. During the late civil war it was extensively used in the was extensively used in the Hospitals, and was found to be not only a thorough disinfectant, but also the most wonderful and speedy HEALING HEMEDY ever known.

REMEDY ever known.

It is now presented in a scientific combination with other soothing and healing agencies, in the form of a SALVE; and, having been aiready used in numberless cases with most satisfactory and beneficial results, we have no hesitation in offering it to the public as the most certain, rapid, and effectual remedy for all Sores and Ulcers, no matter of how long standing, for Burns, Cuts, Wounds, and every ABRASION of SKIN or FLESH, and for Skin diseases generally.
